

AND PAYMENTS

Group Health Insurance

Effective 30 August 2026 · Applies to all departments · Example policy for demo purposes

Overview

AND Payments provides group health insurance (GHI) to every full-time employee from day one — no waiting period, no pre-existing-condition exclusion.

Coverage

- Employee — fully covered by the company at no cost.
- Spouse and up to 2 dependent children — covered at a subsidized rate, deducted from payroll.
- Parents — optional top-up available at full employee cost.
- Cashless treatment at all network hospitals; reimbursement claims for non-network hospitals.

How to Use It

Your insurance card and e-card link are emailed to your official company email within 7 working days of your laptop & email handover. Cashless admission just needs the e-card + a photo ID at any network hospital.

Filing a Claim

For non-network hospitals, submit original bills and discharge summary to HR within 30 days of discharge. HR forwards it to the insurer; typical settlement is 10–15 working days.
